DECISION ON ATTORNEY'S FEES AND COSTS¹

On July 13, 2023, Debra A. Schiller filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as the result of an influenza (“flu”) vaccination received on October 14, 2021. Petition at 1. On July 30, 2024, I issued a decision awarding compensation to Petitioner based on Respondent’s proffer. ECF No. 29.

Petitioner has now filed a motion for attorney’s fees and costs, requesting an award of \$57,749.04 (representing \$52,831.50 in fees plus \$4,917.54 in costs). Motion for

Attorneys' Fees and Costs ("Motion") filed November 27, 2024, ECF No. 34. Furthermore, Petitioner filed a signed statement representing that Petitioner incurred no personal out-of-pocket expenses. ECF No. 34-1.

Respondent reacted to the motion on December 3, 2024, indicating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Response to Motion at 2-4, ECF No. 36. Petitioner filed a reply requesting an award of fees and costs as indicated in the Motion. ECF No. 37.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 34-2. Respondent offered no specific objection to the rates or amounts sought. I find the requested costs reasonable and hereby award them in full.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded attorneys' fees and costs in the total amount of \$57,749.04 (representing \$52,831.50 for attorneys' fees and \$4,917.54 for attorneys' costs) to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
